SIGNED DATE

23 Jul 2026

Remarks

No remarks were entered on the source report.

Source transcription review

- The Regular Service, Warranty Service and Complaints boxes are all unmarked.
- The first and third technician names are handwritten and have been transcribed as Karthi and Marimuthu with review markers.
- One handwritten work-description line is partially unclear; the application keeps a conservative normalized transcription.
- The report date is 17 Jul 2026; the customer acknowledgement is dated 23 Jul 2026.
